

2024 Partnership Opportunities

Access to affordable housing in our community has never been more critical. That is why Neighbor to Neighbor (N2N) is seeking community partners so we can continue providing safe and sustainable housing solutions for our neighbors. Will you join us in changing the trajectory of local families' lives?

In the past 3 years, N2N has prevented over 10,000 evictions in Larimer County. Eviction prevention not only provides the gift of grace, it allows our neighbors a much-needed second chance to get their lives back on track.

With stable housing, families can overcome a sudden financial setback while remaining focused on their school, their work and their well-being. This leads to a healthy workforce and a stronger community overall. ***We believe this is vital work, and your support helps ensure our community remains accessible and affordable for present and future generations to come.***

If your business is interested in supporting a healthy and strong community through housing stability, please connect with me to explore partnership opportunities, including custom sponsorships.

Thank you for your consideration!

Neighbor to Neighbor's Homeownership Program

Annual Homebuyer Education Sponsorship

Each year, we educate over 1,000 households through our Homebuyer Education program and approximately 80% of those households purchase homes after utilizing our services. We provide 19 in-person classes each year, including 6 in Spanish. In addition, we offer 24/7 eHome classes.

Sponsoring this program will give you the opportunity to get your business name in front of a large group of folks who are actively interested in buying a home - it doesn't get more targeted than that!

Host A Rent Party!

Rent Parties originated in the 1920's as a way for neighbors to help neighbors cover rent costs while enjoying house parties. Today, Neighbor to Neighbor provides the same opportunity for service through fun Rent Parties. **100% of all Rent Party proceeds directly prevent homelessness and displacement of Larimer County neighbors.**

We've seen incredible success with different types of rent parties, from in-person parties, to virtual gatherings, to drive-through birthday celebrations. No matter the type of event, a Rent Party is a great way to show your organization's philanthropic commitments.

To host a Rent Party, simply reach out to Brooke Cunningham to coordinate how N2N can support your effort.

Custom sponsorship and volunteer opportunities are available. Please contact Brooke Cunningham at bcunningham@n2n.org or 970.488.2373 for more information.

Thank you!

The mission of Neighbor to Neighbor is to open doors and advance lives from homelessness through homeownership by providing sustainable housing, supportive services, and education to the Larimer County community.
